

Expert Group  
Criteria for significant modernisation  
State of play and way forward

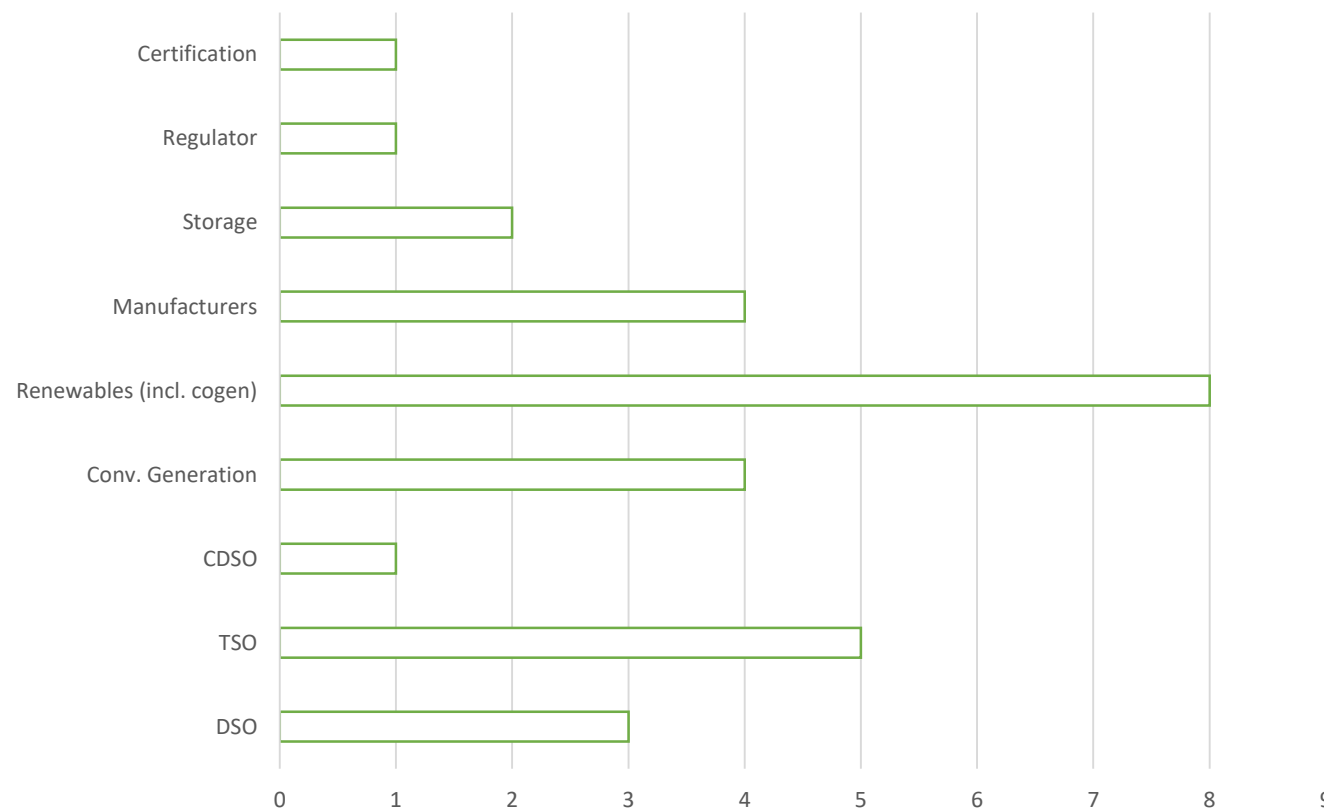

# Methodology of working

- As described in the approved ToR
- Collect examples of criteria from member states level
- Analyse and try to derive criteria where modifications are generally designated as being insignificant

→ Diversity crucial to be successful

# Wide range of stakeholders represented

Members EG CSM (excl. chair and vice-chair)

Diversity in member states and active engagement crucial to ensure success

# Four meetings scheduled until end of 2020

12.08.2020

06.11.2020

25.09.2020

16.12.2020
