# Process on the grid connection NCs amendment

Uros Gabrijel, ACER

25<sup>th</sup> Grid Connection European Stakeholder Committee  
meeting

### Background

- The Commission indicated that September 2022 would be the right time to initiate the amendment process (RfG and DCC in the first phase)
- Relevant stipulations of Article 60 of Electricity Regulation:
  - Originators of the proposals for amendments
    - Draft proposal for amendments to ACER may be submitted by ENTSO-E, the EU DSO entity, NRAs, SOs, system users and consumers
    - ACER may also propose amendments on its own initiative
  - Where it considers an amendment proposal to be admissible and where it proposes amendments on its own initiative, ACER shall consult all stakeholders
  - ACER is required to reason the amendments when proposing them to the Commission

## The process
