

Background

- Potential lack of transparency raised at the 2nd GC ESC meeting
- ACER sent a questionnaire to all NRAs on 1 July
- 20 responses received by end of August

Preliminary assessment of answers

- A few MSs maintained responsibility for approvals pursuant to Articles 4, 5 and 38
- A few MSs designated the responsibility for approvals pursuant to Article 7 to an entity other than an NRA
- In all MSs either some sort of a stakeholder group is or will be established or information on the implementation is or will be available on NRA's or designated entities webpages/platforms

Follow-up

- Answers, experiences and best practices will be discussed amongst NRAs in the following months
