Forthcoming submissions

# Update on submitted methodologies/ proposals

## HAR

- NRAs requested ACER to decide on the HAR
- Main topic: provisions in Article 21(1)(h) on bank guarantees and the reduction of ratings in case of industry-wide downgrades
- Additional editorial changes proposed
- TSOs will respond to the comments by 8 September

## SAP

- Discussions held during the summer between TSOs and NRAs on clarifying aspects of the proposal
- Decision from all NRAs expected by mid-October

## CGM/GLDPM

- Proposals submitted to all NRAs in July – 6 months after the approval of the GLDPM under CACM

## Monitoring plan

- First discussions on the draft ACER opinion on the monitoring plan
- ACER opinion expected by mid-October

# Update on ongoing tasks

## Nomination rules for PTRs

- Public consultation held between 27 June and 18 August
- Consultation webinar held on 19 July
- Proposals will be updated and finalised by the respective TSOs
- The final proposals will be submitted on BZ border level
- Deadline for submission: 17 October 2017

## Congestion Income Distribution Methodology

- Based on the decision time for the respective methodology of CACM
- Deadline for submission: 6 months after the approval of the CACM CID
