

NCIP Website & App

Alexander Dusolt, Erik Harms

3 September 2018

ENTSO-E – NCIP: Website

What's new?

- Enhanced ENTSO-E website to facilitate NC monitoring of deliverables released
- Status of Pan-European and regional NC implementation is now easy accessible

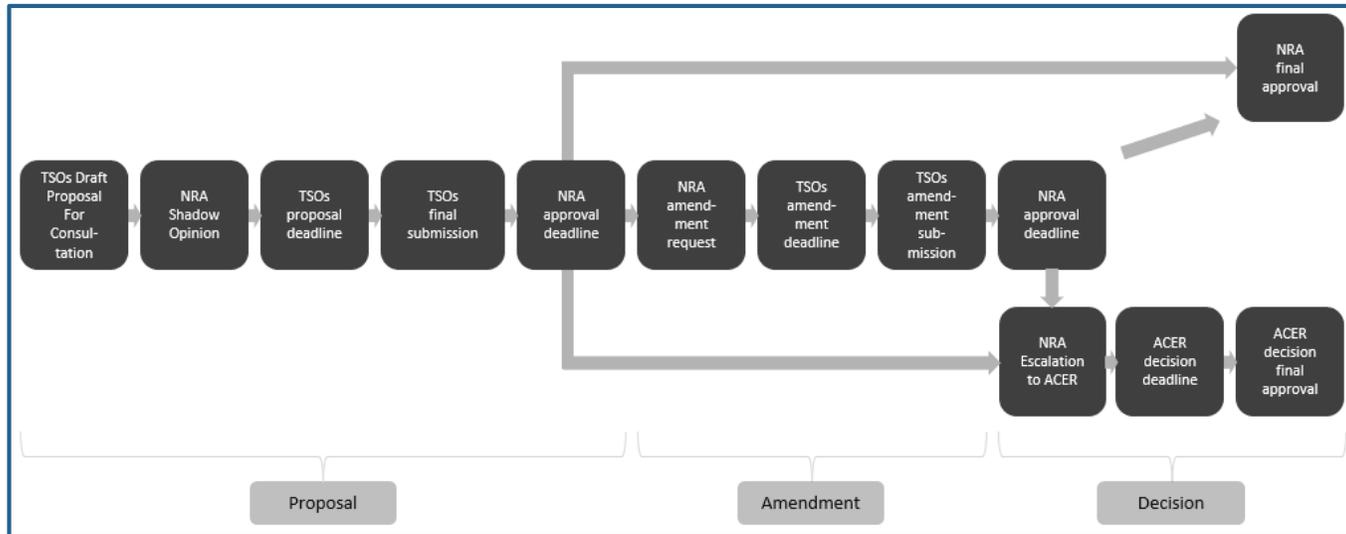

1 Go to <https://www.entsoe.eu/>

2 Click on **Network Codes** and select the **Code Family**

3 Scroll down to see the **Timeline** and the **Overview of each deliverable**

ENTSO-E – NCIP: Website

Operative perspective

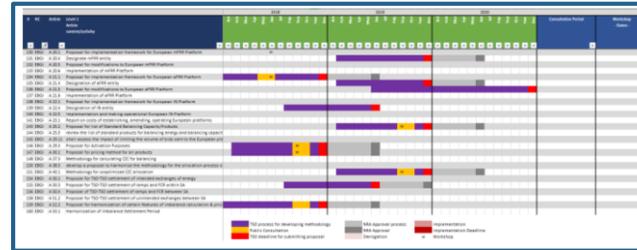

Benefits

- Released centralized ENTSO-E website to facilitate NC monitoring of deliverables
- Consolidated data with gathered NC requirements and further information on national, regional and Pan-European level
- Standardized and incorporated time planning for each NC
- Standardized and enhanced communication to stakeholders of NCs
 - Quick access to proposal files
 - Variability to use detailed information layer to follow tasks of huge amount of Stakeholder

ENTSO-E – NCIP: Website

Functions

Integrated **Timeline**, which is automatically updated
