30 July 2020

Subject: 2019 Report on costs of establishing, amending and operating the single day-ahead and intraday coupling

Dear all NRAs representatives,

We are pleased to send you herewith the 2019 report on costs of establishing, amending and operating the single day-ahead and intraday coupling.

This report is submitted in accordance with Article 80(1) of the Commission Regulation (EU) 2015/1222 of 24 July 2015 establishing a guideline on capacity allocation and congestion management (the “CACM regulation”), which requires all relevant NEMOs and TSOs to provide such report. To fulfil this requirement all NEMOS and all TSOs have worked together to collect and compile all the necessary information.

This report is accompanied by a database available on a “ProjectPlace” folder by using the following link <https://service.projectplace.com/pp/pp.cgi/r528906278>. Access to this folder has been granted to all relevant NRAs representatives.

All NEMOs and All TSOs look forward to continued discussion and cooperation with NRAs in the ongoing development of the detailed contents of the report. We therefore remain fully available to the NRAs if any question arises.

Yours sincerely,

Cosimo Campidoglio
Chairman
NEMO Committee
On behalf of All NEMOs
