# PROJECT PROMOTERS

# ENTSO-E

Mid-September  
2019

ENTSO-E publishes and shares with TYNDP2018 project promoters the final Guidance to apply to the TYNDP 2020

Project promoters  
submit their  
applications

22 October to 22  
November 2019

ENTSO-E communicates to all applicants the date of the end of the application assessment period ('data freeze' date)

Project promoters can request to correct the information they provided in case of error

Estimate: 20  
working days,  
may vary  
depending on  
the number of  
applications

Application  
review period

'Data freeze' – no more  
edits for CBA purposes  
after that date

Mid-Dec to mid-Jan

ENTSO-E notifies project promoters individually of the acceptance / rejection of their application (with justification)

ENTSO-E publishes the list of accepted and rejected projects and justifications

ENTSO-E may request completion or correction of projects' data

### For rejected projects

Project promoters may ask for a review of ENTSO-E's rejection decision

Project promoter presents his review request in front of the NDSG

By 10 working days from the date of the rejection notification

At least 3 weeks after the date of the rejection notification

By 2 weeks after the hearing

By 5 weeks after reception of the NDSG's recommendation

NDSG provides recommendation to ENTSO-E

ENTSO-E adopts a decision and notifies the project promoter and the NDSG (with justification)

(if needed) ENTSO-E publishes the updated list of accepted and rejected projects

April 2020

ENTSO-E publishes the identification of system needs for 2040

Projects promoters specify which project needs their project addresses and are asked to submit additional information to complete the project sheets

April: ENTSO-E organises workshops for TYNDP 2020 project promoters to answer promoters' questions on:

- the additional information required
- the CBA methodology
- the publication of projects information & of CBA results in the project sheets.

June 2020

June - July : ENTSO-E shares the CBA results with project promoters

August 2020

ENTSO-E releases the projects sheets, including the CBA results, as part of the draft TYNDP2020 package for public consultation

# Submission window for future projects answering new system needs

Submission window for future projects answering system needs

For rejected projects: Review process similar to slide 3
